

27th Young Statisticians Meeting

Saturday, 30 September 2023

Session 4: Mathematical Statistics (15:00 - 16:00)

-Conveners: Nenad Šuvak

time	[id] title	presenter
15:00	[7] Asymptotic behavior of an approximate maximum likelihood estimator of drift parameters in a multidimensional diffusion model	VLAHEK ŠTOK, Andreja
15:30	[10] Asymptotic theorems for contaminated runs of heads in the coin tossing experiment	SUJA, Michael
